CALT 5 Tutor Training in held in Lumsden over 3 week-ends in October. Tutors from Wanaka, Queenstown, Kingston, Gore and Invercargill attended along with a national trainer from Auckland who found Lumsden a little bit rural.

Office Update.

As we approach the end of the year, its time to reflect on 2014. Overall it has been a busy and successful year. We will have reached nearly 300 students this year in a variety of contexts. We have introduced Unit Standards that are here to stay, we have reached new areas such as Matura, and Ohai, a number of new tutors have joined the programme, we now have a website, students have gained qualifications, and surprise, the paper work for accountability has grown! Thank you to everyone, for your contributions to these achievements and outcomes.

While we have the same base funding for 2015, the new year is looking to be a little different as the student numbers have been decreased in some funds and the hours increased. It offers a challenge to us.

We look forward to 2015 and what it may bring and we look forward to working with everyone to achieve good outcomes for our students.

All the best

Nellie Averil Lilian Colleen and the committee.

A Merry Christmas and a Happy New Year.

A highlight for us was presenting Jolene with her Open Polytechnic certificate for ‘Get Ahead Skills’. Jolene came to us determined to achieve all she could this year. She has completed two Open Polytechnic courses, (Skills and Choices) through which she gained credits. She has also completed ‘Computing For Your Future’ which included three unit standards. Congratulations on achieving your goals. Unfortunately we will not have access to the Open Poly courses in 2015 because of a change in government funding priorities.
